

Learners will...  
(what we expect to see learners are able to do)

- Manage their own relationships
- Children prepared to accept errors/ success
- Children highly motivated to achieve
- Children are happy to come to school

Core value:

## Emotional Intelligence

### Emotionally intelligent learners

are learners who are..

- caring and considerate
- self-aware
- respectful of people and things
- self-motivated
- self-regulating
- empathetic
- resilient
- effective communicators

We will see...  
(what we expect to see happening in our classrooms / school )

- Teaching time dedicated to exploring relationships
- PALS/ playground buddies
- Children's emotional/ social values celebrated equally alongside academic successes
- Provide opportunities for children to manage their own learning
- Children are given opportunities to achieve in different ways.
- Staff acting as good role models
