Friday 25<sup>th</sup> March, 2022

Dear parents and carers,

I hope you had an enjoyable week. We have been lucky enough to have lunch play on the field this week which the children have enjoyed immensely.

## Ukraine Sunflower competition.

We raised an amazing £351.55 through our Sunflowers for Ukraine competition. We managed with the help of Mrs Gray (a year 1 parent) to secure 40 rucksacks to go with Mr Robinson. The rest of the money, £191.95 we have donated to **Children on the Edge**. This is a local charity who support marginalised children and is supported by many of the schools in the area. If you would like to know more, please follow: [www.childrenontheedge.org](http://www.childrenontheedge.org)

The Young Governors are keen to do more to support the children of Ukraine and have found a site to purchase ribbon in the colours of the Ukraine and pins. They will be selling their pins for 50p in the week before the Easter holidays.

## Comic Relief (Red Nose Day)

We raised an amazing £253.30 by selling red noses. Thank you for your generosity.

## Clubs

My apologies for the delay but full details on Summer Term Clubs will be sent out on Monday.

## Snack at morning play

Please remember that the snack at playtime should be something healthy. We have had to remind quite a few children lately that crisps and chocolate covered snacks are for lunchtime and not morning play.

## Sickness and Diarrhea

We seem to have a nasty sickness and diarrhea bug in Reception and Key Stage 1. We have asked the cleaning company to do extra deep cleans of all classes, shared areas and toilets this week to help eradicate transmission in school. If your child does have any sickness or diarrhea, then they should remain off school for **48 hours** from their last episode.

### Introducing our Governors

Hi, I'm Fiona and I recently became a Governor at Bosham Primary school. We moved to Bosham 9 years ago. I have been doing a Counselling Diploma at Chichester University and my return to education reminded me of how important I feel the foundation years of Primary school are. I am not a teacher, too old to be a current parent and not yet a Grandma but when my children were at Primary school I did start and run a termly school newspaper for six years, having been a journalist in my previous life. Running the newspaper, I loved being a small part of watching young children embrace creativity and curiosity and I hope to work with the pupils, parents and teachers at Bosham in any way I can. Being a Governor is very different from being a parent but in the limited time I have spent as a Governor, I have seen how committed everyone is to Bosham Primary school.

### And Finally...

#### FUTSAL TOURNAMENT

On the 21<sup>st</sup> March 2022 a team of 6 futsal players went to Bourne Leisure Centre to compete in a tournament. Futsal is played in a similar way to football but you can use the walls meaning the ball is never out. The 6 players were: Freddie, Tom, Ted, Ollie, Caleb and Logan. There were 2 other teams and we played them both twice. The 2 other teams were Thorney and Westbourne. We played really well and came 2<sup>nd</sup>. The pitch was really small and we had to run non-stop. At the end, we were exhausted but we had loads of fun. (Written by the team)

I wish you all a lovely weekend and to all mothers a very enjoyable Mothering Sunday.
