Dear Parents / Carers

It has been lovely to welcome all our children back to school. At the beginning of the week we were not blessed with kind weather but we have managed to enjoy the opportunity to meet our friends on the field at play and lunch time.

This week we have welcomed our new reception children in to school for one afternoon and look forward to them joining us full time next week.

Today we shared with the children the sad news that Queen Elizabeth II had died. We held a minutes silence at 12 O'clock to coincide with the ringing of the church bells.

Across the school teachers have responded to the ages and needs of their individual classes and have used appropriate activities. We will of course keep you updated with any information about arrangements for the Queen's funeral as we receive it.

Roles and Responsibilities

During this afternoon's assembly we spoke about the roles of responsibility children can put themselves forward for: Eco Team member, Young Governor and Sports Leader. Application forms, which are attached to this letter, should be returned to class teachers by Wednesday 21st September. We have asked children to think carefully about the role they would like to hold and only apply for one.

Contacting the school

Last year we introduced year group emails with a view of making communication with class teachers easier. For various reasons, including our technology infrastructure, this has not worked as we hoped.

If you need to contact your child's class teacher please use the following: all names should be followed by @boshamprimary.co.uk

Harvest Festival

Weather permitting, we will be holding our Harvest Festival Celebration on Friday 7th October on the school field. We would like to invite you to join us at 2pm when Father Martin will be leading the service. During the celebration we would love the children to share donations of food items for us to send to the Chichester Food Bank. The Food Bank in Chichester has been established for a number of years now but is currently facing unprecedented demand due to people's changing circumstances. Requests from the Foodbank include tins of:

- Custard
- Fish
