16th June 2023

Dear parents and carers

Summer Fair - This is a message from our wonderful BSA

Wow, what a fantastic day we had! Not only was the weather on our side and the storms diverted, but the support of people coming along was just amazing.

There are so many thank yous for us to make. Firstly, a huge thank you all the staff at school for their help, supporting on the day and behind the scenes. A special mention to Mrs Walster who is always happy to help us despite her being super busy everyday. You truly are a super star! Thank you to Mr Richmond who has made this event so seamless where possible and been onboard with all of our ideas. Thank you to Mrs Cox for having the very important job of sorting and counting all the money.

The sponsorship from local businesses for this event were overwhelming. Our first thank you goes to Bev at Wicked Burger Co. Not only was it such yummy food but your generosity was more than we could ever have asked for. Thank you so much! A thank you to Mulberry Contractors, Broadreach, Bosham Landscapes, Chidham Garage, Dowling Constructions, Langmead Herbs and Bosham CrossFit for sponsoring individual stalls/events and to Henry Adams for the advertising boards.

Thank you to Bosham Parish Council for their continued support with these large events and the use of the Youth Club. Thank you to Neil and the team at Bosham Football Club for allowing us use of the football club and supporting our events using the field.

A massive thank you to everyone who gave up their time and helped with the event, before, during or after, behind the scenes or visibly. We wouldn't have been able to have delivered such a successful event without everyone and their hard work. From planning to setting up, running, tidying up and then the admin that goes on post events, you are all truly amazing and the result of all the hard work makes it worth it.

So, on that note, we are so so pleased to announce that the final total raised for Bosham Primary School from the Summer Fair 2023 is an amazing...

£4312.37!!!!!!!!!!!!

Phonics Screening Test

This week the year 1 children have done their best for the phonics screening test. It looks like all the hard work they, their teachers and you have put has really paid off.

Multiplication Tables Check

The children in year four have been busy practising and then taking their times table test this week. They should be really proud of their efforts as they have made huge progress this year.

School photographer

The school photographer will be in school on Monday 19 June to take class photographs and Year 6 photographs. Please remember to send your child to school with a red school jumper or cardigan.

Dates for your diaries
