15th September 2023

Dear parents and carers,

After having a chance to meet your child's teacher this week, I hope you now feel informed and prepared to support your child's education this year. If you require any further information, please either speak to your class before or after school or if it requires more time please arrange a meeting with them by contacting the school office office@boshamprimary.co.uk.

To help support the children at Bosham stay safe online I would like to make you aware about our **E-Safety Advice** page that is on our school website <https://www.boshamprimary.co.uk/page/?title=E%2DSafety+Advice&pid=79>.

There are lots of guides for how to support your child online; such as having respect for others, playing games like Minecraft or watching YouTube. To link with our PSHE focus next week (everyone has a right to learn) I will be focusing on this area during assembly next week.

Eco Warriors

Yesterday, Mrs Smith and her Eco team went back to St Wilfrid's hospice to replenish their bug hotel. They also got a chance to investigate who had been staying there before deciding on what to include to best suit the insects they found. They did a fantastic job and prepared it to help occupy young visitors to the hospice in the upcoming months. Here is the before and after photo of what they achieved.
