13th October 2023

Dear parents and carers,

Sports Week

Next week is Sports Week where the children are going to have an exciting week learning a variety of new skills and sports such as Foot Golf, African dancing, Yoga and many more. Please can pupils wear their PE kits all week but I understand that some days they may come in other sports clothing as you may want to wash their kit. It would be great if the children can be in their house colours for Friday as that is when we are having our Gymnastic competition. Pupils will also be receiving water safety sessions to help keep them safe when they are both in and out of school. Wednesday is the day we will have our Sports Champion visitor so please can you make sure all sponsorship forms are returned on Monday next week (even if the pupil has no sponsorship). Here is the link for the sponsorship: <https://www.crowdfunder.co.uk/p/bosham>. Remember that this helps the school to raise invaluable funds to maintain PE curriculum.

Pink Friday

We would also like to invite your child to wear something pink on Friday. Because your child will be undertaking lots of

different sporting activities this would ideally be an accessory such as a hair band, socks or bow etc. If they want to wear a pink outfit this is fine as well but they will need to also bring in their PE kit. If you would like to donate we will be collecting money for breast cancer.

All of the children will be making a pink memory bracelet as we will be allowing pupils an opportunity to discuss loss and how to deal with this. The whole school will also be adding their thumb print to a tree display to mark this day and give them somewhere permanent in the school to remember people they have lost.

Ground Force Day

Thank you so much to the wonderful parents who gave up their Saturday morning to make such a positive impact on our school. The entrance to the school, trim trail, reception and year 1 outside area are looking great.

Eco Team Competition

Hi parents,

The Eco team are holding a competition where you will have the opportunity to re-design the garden at the front of the school. The garden has been completely taken down so that you can give the garden a complete makeover. This will include, re-placing or getting rid of the pond, plants and even re-design the bug-hotel. We will give each pupil, who wants to enter, a template of the garden that will need to be handed in on Friday the 3rd November 2023. The winner would receive a plaque with their name on it that will go outside the garden.

Who can enter? = Pupils from Y1-Y6

Thanks, Meredith Y6

PSHE Policy

During parents evening we would appreciate you spending some time reading our new PSHE policy. We would welcome your views as we believe our current approach is having a very positive impact on the pupils at our school. There will be copies of the policy available for you to read outside each of the classrooms. You can share your comments with our Governors who will be on the door for both of the evenings.
