24th November 2023

Dear parents and carers,

Christmas Fair

Tomorrow we have our Christmas fair from 11:00 – 13:30 so please come along and support our school. This event is brought to you by our wonderful BSA. The money from events like this have helped raise funds so the school can afford projects such the new reception playground. The BSA contributed £5000 towards this project and without this and the matched funding from the Parish council we would not have been able to do it.

Reception Playground Project

BOSHAMPRI

Thank you so much for your support this week following the revised entry and exit from the school site. I am delighted to say that the surface installers will be in on Monday to complete the job and we will be officially opening the playground next Tuesday. If you want to see some images of the installation please follow this link <https://www.instagram.com/boshampri/>

I would also like to thank Mr Mullen for his incredibly generous donation, he donated the proceeds of an equipment sale at his business <https://www.boshamlandscapes.co.uk/>. This money will be used to help create a usable outdoor space at the front of the school. The two winning designs were created by Isabelle Wilson and Meredith Edwards. The Eco team will be using the best parts of both of these designs to make a final design as our next school project.

Raising money for good causes

Thank you for your kind donations for Children in Need, we raised £96.10. We also sent £218.11 to the British Legion for the money raised from selling poppies at our school.

We would also like to thank Hillier's garden centre for donating our school Christmas tree again this year.

Netball Tournament

Last week on Monday, Emily, Millie and Maisie from year 5 and Daisy, Izzy and Raef from year 4 went to a netball tournament at the Bourne Leisure Centre. The score was Bosham 0 and Southbourne 5. We did really well and tried our best, but they were all year sixes, taller and had more physical OOOOMMMFFFI!!!!!! Millie got near the ring when shooting and Raef was good at defending. Maisie was the best at getting into a space and Emily was the fastest. Daisy and Izzy were great at sticking to their partners like glue. Overall, it was really nerve wracking but we had lots of fun and want to do it again soon. Written by Maisie, Emily and Millie
