Friday 12th January

Dear Parents/Carers,

It has been good to be back and the children have settled really well in their first full week of 2024.

Starting School in September 2024

Please remember that the deadline for children starting school in September 2024 applications is next Monday (15th January). I hope you have already completed this but if you have not please follow this link to [apply](#).

Rainwater Planters

Today the Eco team have worked with Southern water to add plants to our rain water planters. This is a project to help remove, or slow the flow of, excess rainwater runoff from hard surfaces. As you may be aware this is an issue we have had at Bosham as our playgrounds are prone to flooding. If you would like to learn more about these scheme please click the following link [Rain Water Planters](#)

Young Voices

As it will be an incredibly late finish for the children we will not expect them in school for the following morning. They can return for the 13:00 register and this will also include their siblings as it will be difficult to manage two different return times for your children.

Staff Car Park

Please can you help support the staff by not parking in the staff car park before school in the morning. Quite often there is nowhere to park as the car park is full with parents dropping their children in to breakfast club. I appreciate this means you may have to park further away from the school but it would really help staff who often have books and equipment to carry into school.

School PSHE Focus for next week – Work well with a partner or in a group.
