

26th January 2024

Dear parents and carers,

Exciting news next Monday, we will be starting our whole school learning experience for two weeks, to make this more exciting we will be sharing what it is with the children on Monday.

Bumble Bee Competition- Chartwells

Chartwells would like the children to design a 3D flower garden poster, showing what Hungry bees can feast on when they come out of hibernation. The children will bring home an A4 poster template today to draw their design, and then make it 3D by adding bits of material, paper, wood, card, buttons or anything else they have to hand to bring it to life. There will be two winners in each school, both receive a certificate and a flower garden starter kit for their classroom. The children can nurture the flowers and watch them grow – inside to start with, and then the pots can be popped outside from April onwards for the hungry bees.

All entries to be returned to the school office by Monday 5 February 2024.

Reminder – Half term

Monday 12 – Friday 16 February and INSET day Monday 19 February

Cross Country

Last Wednesday some of the year fives and sixes went to Bishop Luffa to take part in a cross-country competition. The distance was 2.1 km of pure mud and a patch of grass. At the start of the year 5 boy's race it was like dominos with people tripping and falling all over the place. At the end of the year 6 girl's race poor Meredith took a trip to the ground but she was very resilient and got up and finished the race. The first race was the year 5 girl's race; it was a blast to watch because Amelie Adams came 1st in her race by a long way. Joe Frith had a very good race he was the first Bosham boy to finish in his category. Anabelle was the first year 6 girl to complete the race in Bosham. All the year 6 boys did really well. Overall, everyone had so much fun and we should all be proud of ourselves. None of this would have been possible without Mrs King and Mrs Jones so a huge thanks to them for making it happen.

Amelie and William, Year 5
