Dear parents and carers,

Your BSA needs you!

Starting in September 2024, the BSA (Bosham School Association) are looking to appoint a new Chair or Co-Chairs, as well as a new secretary. This is a fantastic opportunity for you to support the school, helping to raise crucial funds to enrich the lives of the children at Bosham Primary School with their learning and development.

If you would like more information about what you have to do in each role, Ashleigh and Jo, the current Co-Chairs as well as Kate the current secretary, are happy to discuss this with you. Although the rules will not start until 2024 the new people will be voted in at the annual general meeting on Monday, 1st July 2024. Everyone is welcome to this meeting, which will start promptly at 7pm at Bosham Primary School.

We would appreciate if you could let us know if you intend on running for either of the roles. Please email boshamschoolassociation@gmail.com by Friday 3rd May. This information will remain confidential. Thank you in advance for your consideration and we look forward to receiving your interest emails.

I would like to thank Ashleigh Young, Jo Jarrett and Kate Robst who have decided to step down from running the BSA. Under their leadership they have raised thousands of pounds which have been spent on improving the education of the children at Bosham. They have provided money to allow the EYFS outdoor provision to be enhanced, bought our new Little Wandle reading scheme which has had a brilliant impact on improving the quality of our phonics and given each class funds to reduce the costs of trips to all families so we can ensure our curriculum is really engaging.

The Bosham Association

Last week members of The Bosham Association 'sided' the eastern part of the Delling Lane pavement, cutting back the verge to expose more of the pavement. The result is that pedestrians should now find it much easier to navigate the pavement. There is a plan to tackle the other side of the road shortly. It is hoped that this improvement along with the warmer weather will encourage more families to walk to school.
