

28th February 2025

Dear parents and carers,

Welcome back to the new half term. I hope you all have enjoyed some time away from school with your family. The next half term is a busy but exciting one.

On Thursday 6th March is it World Book Day 2025 and we would like to invite the children to dress up as a book character. If your child does not wish to dress up as a character they are welcome to wear comfortable clothes to school that day.

During the day we will be looking at a variety of illustrators, sharing author's we love and reading a variety of stories to the children. We look forward to an exciting day where we celebrate books in a variety of different ways.

Eco committee

This week Mrs Smith and the Eco Committee worked with Mark McManus (Strategic Wildlife Corridors Project Officer for WSCC) and a group of wonderful parents and volunteers to plant a native hedge at the front of the school. This is to encourage local wildlife with an aim to provide more habitats for local birds and wildlife.

Please can we ask that children and parents do not walk across the grassed area or through the newly planted hedge.

Packed lunches

At Bosham Primary School, we believe that a balanced, nutritious diet is essential for our pupils' growth, development, and overall well-being. That's why we kindly encourage packed lunches brought from home contain a selection of healthy options.

A great packed lunch could include a sandwich or pasta pot, some fresh fruit or crunchy salad veggies, a small packet of crisps or a biscuit, and a

low-sugar drink. Please do not send your child to school with sweets and fizzy beverages, as these can have a negative impact on our pupils' energy levels and concentration in the classroom. Please can we also remind you that we are nut free school.

Medical

Please can we ask that if your child takes any regular medication at home you inform the school office so that we can add the medication details to your child's school records. Thank you for your support.
