Bosham Primary School

Headteacher: Mr Richmond

17 October 2025

Dear parents and carers

This week it was lovely to welcome so many prospective parents to our school who were looking for a place for their child to start school in September 2026. Our School Ambassadors from Sunbeams did an amazing job showing the parents around our school. We have a second Open Morning on Wednesday 5th November at 09:00 if you would like to attend. Alternatively if you know of a family who would like to see what Bosham has to offer their child they can book using this [link](#).

If you wish to apply for a school place, applications have already opened and will close at **11:59pm on Thursday 15th January 2026**. You can submit your application by following this link: [Applying for a school place](#)

School Development Plan 2025-26

Our focus for 2025–26 is to continue building a culture of high expectations, inclusion, and excellence. Through high-quality teaching, a strong emphasis on wellbeing, and enriching learning experiences, we aim to ensure every child thrives academically, socially, and emotionally. Our development priorities reflect our commitment to ensuring that all pupils make strong progress, develop positive attitudes to learning, and are fully prepared for the next stage in their education and life beyond school. I have listed below the different areas we are focusing on improving this year.

Quality of Education: To ensure all pupils make at least good progress from their starting points.

To improve the quality of writing in the school.

To ensure the highest skilled / qualified staff are working with the greatest need.

To use assessment accurately for all subjects that lead our learning experiences.

Behaviour and Attitudes: To ensure pupils consistently have highly positive attitudes and commitment to their education.

Implement a clear process for supporting mental health and well-being of pupils and staff.

Personal Development: Pupils have access to a wide, rich set of experiences.

Ensure that the schools' spiritual, moral, social and cultural education is effective and empowers pupils with the knowledge that they will need for life in modern Britain.

Leadership and Management: Subject leaders are accountable for the attainment and progress of all children.

To develop subject monitoring to drive improvement.

To ensure adaptation in non-core subject using Oaip (Ordinary Available Inclusive Practice) - Locality Focus.

Early Years: The EYFS curriculum provides no limits or barriers to the children's achievements.

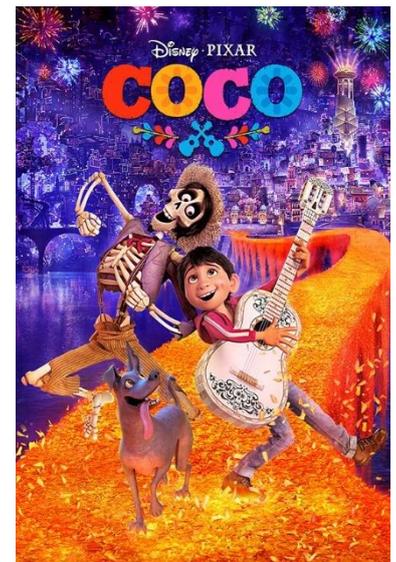

To develop the outdoor area of Y1 to improve the transition from YR to Y1.

To improve the outcomes for pupils in EYFS.

Reporting your child absence

Please can you remember to call the school office if your child is unwell and cannot attend school. If your child has diarrhea and sickness the guidance is that they stay off school for 48 hours from the last episode. Please click this [link](#) to get further guidance about infection control in school.
